

## **FRANCE INVADED BY DEPPVILLE**

Today in world news a Johnny Depp obsessed group of 26 women invaded France causing havoc and mayhem in the streets in their efforts to locate Mr. Depp. Onlookers reported that the group seemed to believe Mr. Depp was the mayor of their town and was being held against his will.

After locating Mr. Depp the group carried him off and witness's reported overhearing these comments. from the group " You think he'll be up for it all the time? To which the response was, "It don't matter, we've got enough Viagra and ghost tranq. stock piled to keep him going longer than the energizer bunny." Authorities report that they are uncertain as to the present whereabouts of Mr. Depp.
