

Deppville's Anthem

O say can you see, by the dawn's early light
Our beautiful city from it's depths to it's height,
I greet thee, thou loveliest land on Earth
Fantabulicious and perteyful worth.

Oh Deppville, Oh Deppville
God keep our land free
Oh Deppville, Oh Deppville
We stand on guard for thee!

What so proudly we hailed, for It's Johnny's
True patriotic love in all thy funsies,
And higher yet some day shall ring
The patriot song we forever sing.

Oh Deppville, Oh Deppville
God keep our land free
Oh Deppville, Oh Deppville
We stand on guard for thee!

Our great Captain Jack stood by the tall mast
Saying "Deppville shall forever last!"
In smoke and mist, his sword hammering hard
He'd sink every enemy to their last shard.

For if our city's in despair,
we will fight till we save
Our land of the free,
and the home of the brave!
